

Tender Title: GMO is seeking an individual, team, or firm to design and lead an external, summative, final evaluation

to more thoroughly understand how the project has made progress toward the intended project

impact as well as the intended and unintended outcomes of GMO Catalyzing Community Resilience in

Northern and Eastern Syria (CCRNS) program, the findings of which will serve as an opportunity for learning,

growth, and reflection for GMO and other program stakeholders (including Syrian partners and

current and potential donors, among others).

Opening date: 28th, July 2024.

Closing Date: 3rd, August 2024.

Announcement:

Tender Notice

GMO seeks to contract Supplier(s) for the following Service.

GMO is seeking an individual, team, or firm to design and lead an external, summative, final evaluation

to more thoroughly understand how the project has made progress toward the intended project

impact as well as the intended and unintended outcomes of GMO Catalyzing Community Resilience in

Northern and Eastern Syria (CCRNS) program, the findings of which will serve as an opportunity for learning,

growth, and reflection for GMO and other program stakeholders (including Syrian partners and

current and potential donors, among others).

Our INGO is seeking qualified providers with a proven background in this area.

If you are interested in submitting a bid, you will need to complete the attached Intent to Bid and submit it according to the guidelines below:
