Announcement:

Tender Notice

GMO seeks to contract Service provider(s) for the following Service.

With a dual goal of providing capacity strengthening and humanitarian assistance to communities in Syria, Grant Management Organization (GMO) is following a strategic approach in recognition of the extended nature of the crisis, with an aim to partner with Syrian communities so they move beyond survival to productivity and self-reliance. GMO has been responding to the conflict through supporting eight partners operating in Northwest Syria (NWS), Northeast Syria (NES) and South-Central Syria (SCS) with the implementation of responsive programming under 4 sectors; Water, Sanitation, and Hygiene (WaSH), protection, shelter and settlement (S&S), and economic recovery and market systems (ERMS) (refer to Annex I for details on projects).

GMO is seeking to contract an experienced and equipped Third-Party Monitoring (TPM) service provider with established operations in the intervention's areas to respond to the tasks outlined in the scope of work (SoW) that will be shared in later stage.

With the primary goal of providing emergency response, recovery, and resilience in Syria.

Our INGO is seeking qualified providers with a proven background in this area.

If you are interested in submitting a bid, you will need to complete the attached Intent to Bid and submit it according to the guidelines below:

Completed Intent to Bid Form must be submitted to Mercy Corps by September 23 ,2024 at 17:00 PM by sending an email of completed Intent to Bid to: procurement1@gmoprogram.org with the Tender Reference number in the email subject line- with the company name.

After the closing date of this Tender Notice, the Request for Bid will be sent to the vendors who submitted Intent to Bid Forms. The Request for Bid will be sent according to your preference in the Intent to Bid Form.

Appreciating your feedback to advertise the tender.

Thanks,
